

# Second Circular

of the 2019 International Conference on Nuclear Data for Science and Technology (ND2019)  
( <http://www.nd2019.org> )

## Greetings

The China Nuclear Data Center (CNDC) is organizing the 2019 International Conference on Nuclear Data for Science and Technology (ND2019), which will be held on May 19-24 2019, at China National Convention Center in Beijing, China.

In regard of the program, the conference will have keynote speech, plenary, invited and featured talks, as well as poster sessions. For more information, you could visit <http://www.nd2019.org/>.

## Registration

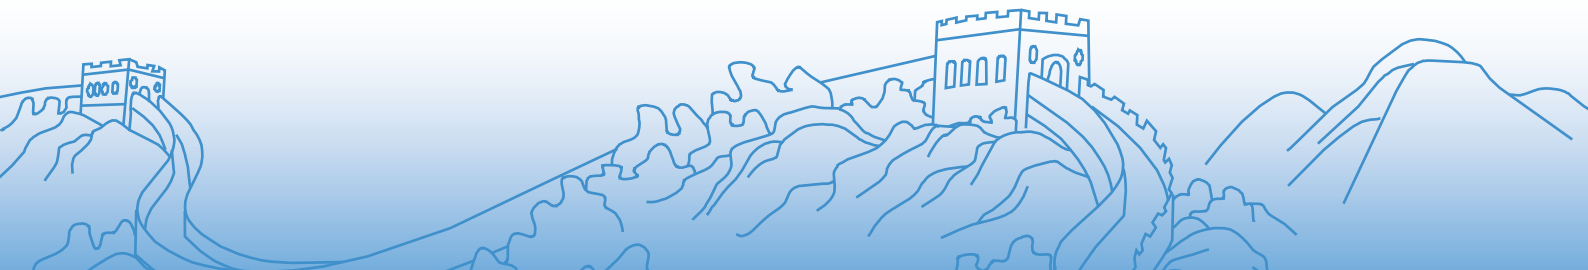

The registration for ND2019 has been open since this June. Now, we have added the banquet activity and the accompany person as an option. For the instructions, you could refer to the Guideline for Registration and Payment.

## Abstracts Submission

The participants could submit abstracts for oral and poster presentations on line, who can refer to the Abstraction Submission Guideline on the website above.

The abstracts are expected to be in plain text and special characters should be entered in the LaTeX format.

Please note that the deadline to submit abstracts is November 01, 2018. Then, the abstracts will be reviewed and we expect to inform participants of the status of their presentations by December 31, 2018.

## Fees & Payment

ND2019 will have a reduced early-bird registration fee for \$700 until December 20, 2018. After this date, the regular registration fee will be \$800 before April 19, 2019. From then to the opening of the conference on May 19, 2019, all participants will be charged on site for \$900. A 50% discount will be given to graduate students making presentations.

The registration fee covers the costs of the meeting participation including a copy of the conference proceedings, meeting rooms, coffee breaks, poster sessions and the welcome reception. A banquet dinner will be held on May 23, 2019, at a cost of around \$60 per capital.

All international participants are expected to pay via US dollars, while the domestic ones could choose to pay via RMB with a fixed exchange rate.

The payments could be made via online channel or by bank transfer. The detailed information could be found during your payment process or referred to the guideline.

## Sponsors and Exhibitors

The sponsorship from nuclear related enterprise is welcome, and ND2019 will provide an excellent opportunity for companies to showcase their services, products and techniques. Please e-mail us at [nd2019@chinastargroup.com](mailto:nd2019@chinastargroup.com) for more details.
